Chapter 1 by XOXkitkatXOX

"Dipper, wake up, we're home!" Mabel said, shaking Dipper till his brains were mush. Dipper woke up with a start, and jumped out of his seat. He grabbed his bag, and looked around the bus.

"I just can't believe that summer is over already." Dipper said, getting out of the bus. He sees his mom, all of a sudden missing her dearly, and runs up to hug her.

A tear falls off of his mom's face, onto Dipper's face. "I can't wait to hear about everything that happened. I hope you liked your Grunkle Stan! He was real nice to me when I was a kid!"

"Mom, I don't want to talk about it, all I know is, that I wanna go back next summer." Dipper said.

He looked back, realizing that Mabel was still in the bus. He runs back up to the bus, and pokes his head back in. "Come on Mabel!" he yells.

He sees Mabel in the back of the bus, with her head and knees in her jacket. "Mabel's not here, she's in Sweater Town!" she yells back.

"Do you wanna talk about it?" Dipper asks, his eyes looking a little better. He walks over to her, and sits down next to her.

"Well, I just really don't want summer to end, I just, I mean. I wanna go back to Gravity Falls. And I don't even care if Weirdmageddon is happening! I mean, I just miss everyone so much." She peeks her head out of her sweater. Dipper wraps his arms around her, and then stands up.

"Come on! Mom misses you!" Dipper said, putting his hands behind his back. They walk to the door, and Waddles runs up to the door, and hops out into mom's hands.

"AHH!!!" she screams. She drops Waddles, and Mabel walks out of the bus...

(The Next Day)

BRR BRR BRR BRR BRR!

Dipper slams his hand onto the alarm clock, and sits up, expecting to see the old attic, but sadly, he's back in his own room. He looks over, expecting to at least see Mabel in her bed, then realized that at home, they had their own rooms.

"Dipper! The phone!" Dipper gets up, rubbing his eyes. He hears the phone ringing, and realizes that if he doesn't hurry up, the phone will stop ringing.

He jumps out of bed, runs down the hallway, trips over the cat, and reaches the cat. He picks it up, and says hello...

Chapter 2 by Glowpy-Druglord

Meanwhile, Back In Gravity Falls... BILL IS BACK!!! Ford Calls Dipper And Mabel's Mom, Asking Her To Let Dipper And Mabel Come Back To Gravity Falls To Help Them With Something 'Important'

"Dipper, it's Ford," Ford greeted, his voice panicky. "I have some bad news."

Dipper arched his eyebrows curiously. "I though you and Stan were out on your boat, sailing around the world." He glanced at Mabel, who matched his worried look.

"I had to go back to Gravity Falls. See more of Story Wars [Click here to your mother. I must speak to her!](#)"

"Uh...okay," Dipper replied, frightened slightly, handing his mother the phone. Their mother wandered into the kitchen, speaking with Ford while Dipper grabbed Mabel's arm and dragged her away. "It's Ford. He sounds worried and...almost frightened."

"Why?" Mabel asked, tipping her head to a side.

Dipper frowned at his sister. "If I knew, I would tell you. We need to go back, but I don't think mom and dad will let us, since school is coming up soon."

"Dipper, Mabel. You're going back to Gravity Falls to help your uncles," their mother called. She handed Dipper back the phone.

Ford took a deep breath over the phone. "Dipper, Bill is back."

Dipper nearly fainted. "What?! How?"

"I have suspicions that he wasn't alone. When he was my partner, he mentioned a friend, closer than his monster friends he brought with him from the second dimension. He mentioned a name, Paradox. I did research on him and....he's far worse than I had imagined. Worse than Bill. He's a time demon, Dipper. He's coming back with Bill. He can kill us much more easily than Bill could ever do."

Dipper looked almost like.....

Chapter 3 by Glowpy-Druglord

Dipper was going to throw up again. "What does Paradox look like?"

"Bill described him as a large green dragon with a left robotic arm and odd green markings beneath his eyes. He's coming with Bill and I fear this may actually end our world. He and Bill are not friends, they hate each other. Something tells me that Paradox is only here for revenge." Dipper and Mabel exchanged frightened glances.

"Don't worry, Grunkle Ford," he said. "We're on our way!"

"Hurry...oh no...Stay away from me..." A light sounded like the phone was dropped and something else picked it up.

"So boy," a deep raspy voice growled over the phone. "You want to stop me? Kill Bill forever for me, and I'll leave the town. If not, well I'll level it to rubble."

Chapter 4 by Rainacorn68

The phone call went to static. Dipper and Mabel repacked all their belongings. They took the earliest bus ride back to Gravity Falls.

"D-Dipper?" Mabel stuttered, Dipper looked over and saw Mabel's frightened face. He sighed,

"Mabel. It will be alright, we will win like last time!" They had an awkward sibling hug and stared out the window, ready to see the sign that welcomed them into Gravity Falls. Dipper lifted his hat and looked at the pine tree on the front. He sighed sadly and placed it back on top of his head

"I hope," he muttered under his breath.

Chapter 5 by Antuan Robinson

In the nightmare realm

Bill: Rise and shine, sweetheart. Ready to paint the town red? Or how about green you freak?!
Ha ha ha!

Paradox: That's alot of grit from a talking dorito, man. Bro, I work alone.

Bill: Hey, hey. Don't be a so negative, buddy, and besides.

Bill snaps his fingers and Paradox loses his physical form as a part robot part dragon, and reveals his true form, a faceless supercube with arms, legs, a beanie and hoodie.

Bill: You got the biscuits, and I got the gravy, okay, cupcake? I can turn you into anything you want.

Bill keeps snapping his fingers turning paradox into a Unicorn, an ant, a man with his flesh being turned inside out, a viking.

Paradox: Oh cool.

Bill: Ha! I can't tell if you're saying what you mean to say.

Paradox: Now buddy, before I tag along as your evil sidekick and play second banana for kicks and giggles, I suppose we strike a deal.

Bill: Oh- A cosmic deal? Sounds interesting...

Paradox: Bro, I love this body man, but it kinda sucks. I want to call the shots of what I look like, when I want. That clear?

Bill: **Snap** You got it kid, now, what's in it for me?

Paradox: If you're in the mood for some fun, I can give you a kick to pump up the party. How about a time wish? or Infinite time wishes? Now you're playing with power, bro. Then we can really fuck shit up.

Bill: First, did you kiss your mother with that mouth? Great, there goes the TV-PG rating, watch your mouth. I'll be watching you, don't betray me. Because in god I trust if you do...

Bill turns into a giant evil pyramid and gets into the face of Paradox

Bill: You're gonna have a bad time. Capiche?

Paradox: Ha, okay bro chill. I got this.

Bill: Let's shake on it.

Bill holds out his hand casting a blue flame

Paradox holds out his hand casting an orange flame

They shake hands, and a transmutation circle with an illustration of bill and paradox merging appears on the floor, and a light illuminates the illustration. A vacuum opens in the center,

A time dilation occurs and

Bill: Home sweet home! Isn't that right, brother?

Paradox turns into a dragon.

Ford: Oh no...

Mable and Dipper unpack their bags as Mable looks out the window

Mable: Dipper, he's here.

Dipper: Oh... No...

Mable: That dragon must be paradox, Dipper we need to hurry to Gruncle For--

Time stops. Paradox breaths soundwaves stopping time. All of gravity falls freezes over. Everyone is powerless.

Bill starts singing "I've got you under my skin" by Frank Sinatra

Bill starts froliccing in the woods as all the deer and rabbits are frozen in time and as he skips through the fields, every step he takes kills all of the plants and flowers around him. He dismembers the bodies and limbs of all the wild animals, rearranging them, mutating them into freaky creatures, rising rose vines out of the floor and wrapping them around the animals and creatures, tightly constraining them, causing bleeding, dragging some of them into the ground.

He goes into trees, and turns the mothers of birds against their own children.

Bill: I've got you under my skin, I've got you deep in the heart of me, So deep in my heart that you're really a part of me, I've got you under my skin, I'd tried so not to give in, I said to myself this affair, never will go so well, but why should I try to resist when baby, I, know so well, I've got you under my skin.

Paradox reverts to his normal form, and enters a couple's home, and places lipstick on a man's

Paradox: I would sacrifice anything come what might, For the sake of having you near, In spite of the warning voice that comes in the night, And repeats how it yells in my ear

Bill scribbles and writes derailing notes in Ford's Journals, he forges Dipper's handwriting and in marker writes "Mabel is a total butt face" on Waddles, Bill and Paradox laugh loudly as they read the deeply personal and intimate details of Mabel's diary, Bill repositions Dipper and makes him do the splits.

Bill places his arm around frozen Dipper's shoulder as Bill continues to sing to him.

Bill: Don't you know, little fool, You never can win, Why not use your mentality

Bill and Paradox march with canes, singing in a duo quartet, as they frolic down the streets, making everyone's life miserable...

Bill and Paradox: Step up, wake up to reality
But each time I do just the thought of you
Makes me stop just before I begin

Bill and Paradox reach a crescendo, and look down on all of gravity falls, before they resume the flow of time, Bill sings softly and in a gentle voice.

Paradox: 'Cause I've got you under my skin

As bill sets flames to the forest, and prepare to watch as time begins to unwind, and all of their damage sets in motion.

Paradox: Yes, I've got you

Bill and Paradox: under my skin

They rip out a maniacal evil laugh as they resume time... and Wierdmagedon II begins
